

research positions - applied statistics

Centre for Health Service Development

- Up to 3 positions at Associate Research Fellow and Research Fellow level
- Fixed term appointments - 2 years

The Centre for Health Service Development (CHSD) at the University of Wollongong comprises a dedicated team of academic and general staff who conduct research, development and evaluation projects on health and community care services for a variety of government and non-government agencies and interest groups.

The CHSD is seeking to recruit up to 3 academic staff to contribute primarily to the quantitative components of projects, from the design through the data collection, analysis and report writing to the dissemination of findings. The successful applicants will work within multidisciplinary teams in CHSD contributing towards its strong national and international reputation in health services research.

Candidates must address the selection criteria specified in the Position Description, which is available from our website. For further information please contact Janette Green on 02 4221 5734.

Applications Close 28 June 2009

Quote Ref No: 23371
